

TRADE WINDS

WORKING TITLE

The weekly briefing for the people who sell travel
— hosted by **Bruce Poon Tip**.

WEEKLY PODCAST • 35-45 MINUTES • FOR THE TRAVEL TRADE

THE IDEA

The show a travel advisor plays Monday morning.

AI, geopolitics, and overtourism are rewriting travel in real time, and the trade has no trusted weekly voice to navigate it. This is that voice — from the one host every CEO in the industry will sit down with.

For travel advisors • tour operators • tourism boards • travel tech

THE THROUGH-LINE: COMMUNITYSHIP

It isn't a segment — it's the lens. It's how Bruce runs G Adventures and lives his life, so it surfaces in every briefing and every interview on its own. *And when the new book lands, the show is already its home.*
